

MAR Convention - Banquet Seating Request
Must be received by MAR no later than Friday, September 23
Fax to (207) 623-3590

Please note that special seating requests will be assigned in order of receipt. REALTORS® of the Year have first priority for table assignments of convention attendees. Before completing this Banquet Seating Request, please confirm names of registrants. If you need a list of attendees, please e-mail lynn@mainerealtors.com.

No one may sell or give the banquet portion of a registration to anyone else. However we are allowing individually purchased banquet tickets (i.e., not part of a convention registration) to have name changes until September 23. No changes may be made after September 23 or on site.

All tables are tables of ten. The servers will not serve at seats that exceed ten per table. MAR cannot resolve conflicts of those requesting one table versus another, so the assignments will be made as received. Be sure you have told those you are putting at your table of your action.

MAR will close out special seating requests on Friday, September 23. No exceptions.

For requests of less than 10, MAR staff will independently fill tables for the remainder seats at the table. You will get table numbers posted at convention registration and outside the banquet doors.
