

Dr. Jessica Lautz is Vice President of Demographics and Behavioral Insights at the National Association of REALTORS®. The core of her research focuses on analyzing trends for both NAR members and housing consumers. Through management of surveys, focus groups and data analysis, she presents new and innovative ways to showcase results. Jessica discusses research findings in major media outlets and international presentations.

Jessica received her Doctorate of Real Estate from Nottingham Trent University in the U.K. She also has a Master's in Public Policy from American University and undergraduate degrees in Political Science and Law and Justice from Central Washington University.
